<b>1. Administering State Agency:</b>  Division of Oil, Gas and Mining 355 West North Temple, Suite 350 Salt Lake City, Utah 84180-1203	<b>2. State Application Identifier Numbers:</b> (assigned by State Clearinghouse)  <b>3. Approximate date project will start:</b>  July 20, 1995
<b>4. Areawide clearinghouse(s) receiving State Action:</b>  Bill Howell, Executive Director #10 Carbon Circle PO Box 1106 Price, Utah 84501-0881	
<b>5. Type of action:</b> <input type="checkbox"/> Lease <input checked="" type="checkbox"/> Permit <input type="checkbox"/> License <input type="checkbox"/> Land Acquisition <input type="checkbox"/> Land Sale <input type="checkbox"/> Land Exchange <input type="checkbox"/> Other _____	
<b>6. Title of proposed action:</b>  Western Clay Company Last Chance Mine - M/015/061 - Existing small clay mine operation expanding to a large mine operation.	
<b>7. Description:</b> Approximately 10.2 acres located in the NE/4 Section 7 and the NW/4 Section 8, Township 25 South, Range 6 East, Salt Lake Base Meridian, Emery County, Utah  <u>During Operations</u> Bentonite clay will be removed using a front end loader or dozer. The material is disced, partially dried and stockpiled prior to loading and truck transport to the Western Clay plant in Aurora, Utah. The mine will operate approximately 90 days per year, depending upon market demand.  <u>After Operations:</u> The disturbed area will be regraded to slopes not exceeding 3H:1V. The pit highwall will be backfilled and recontoured. Approximately 8.3 acres will be covered with 6 inches of topsoil from the topsoil stockpiles and an onsite borrow area. 3000 - 4,000 lbs of alfalfa hay will be tilled into the soil, the area will be fertilized with 40 lbs/acre nitrogen and 100 lbs/ac. phosphorus, then seeded using a seed mix recommended by the BLM (seed mix is included in the plan). Approximately 1.9 acres of barren bentonite outcrop will not be revegetated.	
<b>8. Land affected (site location map required) (indicate county)</b>  Emery County, Utah	
<b>9. Has the local government(s) been contacted?</b>  To be copied with this notice.	

10. Possible significant impacts likely to occur:  None	
11. Name and phone number of district representative from your agency near project site, if applicable:  N/A	
12. For further information, contact:  D. Wayne Hedberg, Permit Supervisor	13. Signature and title of authorized officer:   Permit Supervisor
